

Best Life

for every child and youth

Vision

Our desired future state

Mission

The 'how' of achieving our vision

We provide exceptional care and advance how children, youth and families obtain it through partnership, research and education

Values

The ideals that bind us together

We respect each other | We support people on their journey
We innovate and challenge the status quo | We create new knowledge, learn and teach

Strategic Directions

3-5 years

| Outcomes that Matter | Progress from Evidence | Partners in Health | Connecting Care | Unlock our Potential | Unlock our Potential |
|---|---|--|--|---|---|
| <p>Safety First</p> <p>Work with children, youth and families to achieve the results they care about most</p> | <p>Improvements Made</p> <p>Innovate to make things better through research, continuous improvement and activating new knowledge</p> | <p>Partners in Health</p> <p>Ensure the voice of children, youth and families guides the care we provide and the future of our organization</p> | <p>Faster Access</p> <p>Ensure the voice of children, youth and families guides the care we provide and the future of our organization</p> | <p>Wise Resourcing</p> <p>Make the best use of the resources we have and be smart about future investments</p> | <p>Inspiring Workplace</p> <p>Make the best use of the resources we have and be smart about future investments</p> |
| <p>Zero harm and prevention of COVID transmissions</p> | | | <p>Reduce time to inpatient bed and increase timeliness and capacity for care</p> | | |
| <p>Healthiest Outcomes</p> <p>Partner with children, youth and families to reach goals and understand the impact of care</p> | | | <p>Simpler Journeys</p> <p>Build towards an integrated pediatric health system that connects care for children, youth, families and providers</p> | | |
